As part of this response, Applicant submits a Preliminary Amendment to correct reference character inconsistencies in the specification. No new matter is involved.

A Petition requesting a one-month extension of time is enclosed, together with the fee of \$110.00. If it is determined that any additional fees are due, the Commissioner is authorized to charge such to Deposit Account No. 50-0503.

It is believed the application is now in condition for examination on the merits, and Applicant requests such examination at an early date.
